

研究生院教育综合信息管理系统选课指南

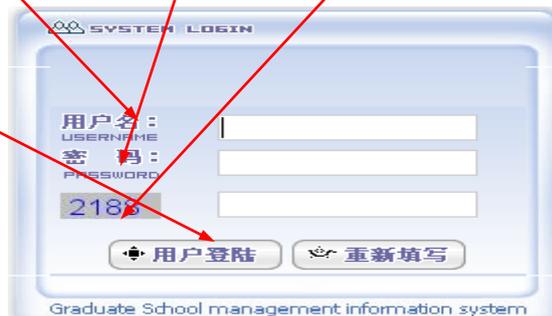

Directions for Choosing Courses on “Graduate School Management Information System” (GSMIS)

1 System log-in

Step 1: Visit the website <http://gsmis.graduate.buaa.edu.cn/gsmis/main.do>

Step 2: Input your user name, password and identification code, then click login button.

The original user name and password are both your student ID number (the first two letters must be capital).

1.2 Change the password

You are suggested to change your password the first time you log into the system.

Step 1: Move the mouse to the 11th menu and then click the second submenu.

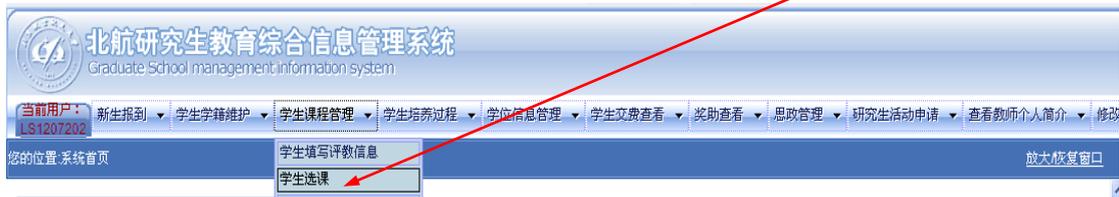

Step 2: Input your old password and new password, then click submit button.

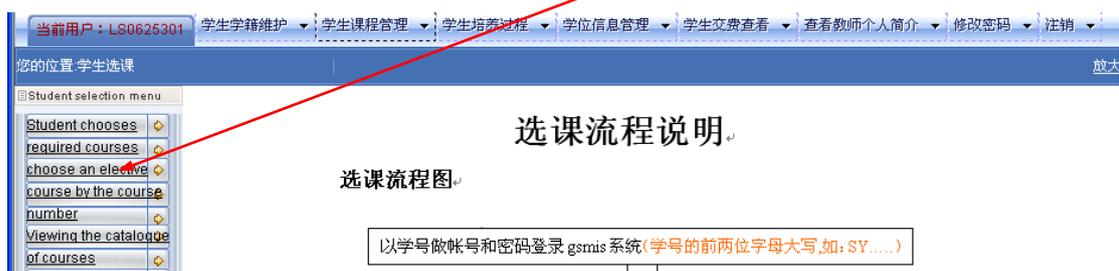

2 Course Management

2.1 Select courses

Step 1: Move the mouse to the third menu and then click the second submenu.

Step 2: From the menu, click “choose an elective course by the course number”.

Step 3: Input the No. of the course you want to select, and then click the confirm button. If you want to reset, click reset button. For the course No. please see “Curriculum Catalogue for International Graduates”.

For the course No. please see “Curriculum Catalogue for International Postgraduates”.

Step 4: Select the course type below course name (degree course means compulsory course), and tick in the check box to ensure the course to be selected, and then click the submit button.

Step 5: Click “viewing the courses selected”, you can check the courses you have selected.
